

ASSEMBLY BILL

No. 2143

Introduced by Assembly Member Williams

February 20, 2014

An act to amend Section 850 of the Business and Professions Code, relating to healing arts.

LEGISLATIVE COUNSEL'S DIGEST

AB 2143, as introduced, Williams. Healing arts.

Existing law provides for the licensure and regulation of various healing arts professions and vocations by boards within the Department of Consumer Affairs. Existing law generally prohibits a healing arts board or examining committee within the Department of Consumer Affairs from requiring, by regulation, an applicant for licensure or certification to be a member of, to be certified by, to be eligible to be certified or registered by, or otherwise meet the standards of a specified private voluntary association or professional society.

This bill would make a technical, nonsubstantive change to these provisions.
